Years 9 - 10 – DHDXTXACWO (10 days)

NCEA Level 1 – ZXCMTUGSZZ (10 days)

NCEA Level 2 – GSSFZZILO (10 days)

- e. Then click *Register*. You will be taken back to the *Choose a Subject* page again.
- f. Click on the general subject, e.g. *English* and then the actual subject you are now licensed to use.
- g. Read the instructions or on the left-hand grey panel, then click the subject name - *Click Here* until you see the folders. (Each of these contains the module titles.) Click on any of these then
- h. Click on a module title in the *Learning Module* column and begin. Answer 10 questions and view your summary score. Check your progress 'speedo' under the *Results* link.

## Dear Head of English

As one of the early leaders in eLearning in New Zealand, we are committed to producing affordable, innovative, and high-quality resources that will make your life easier and help your students become confident, self-directed learners.

## Our Product Options

### 1. eLivewire (Pro) v2.0

We are pleased to announce the launch of our next generation interactive version – Livewire 2.0 – and our first course: **Arranging Words on Line**

**Please contact me for a free trial**

#### Key Features:

- a new and colourful interface; chunked and sequential learning sections with audio commentary, easy navigation features; self-marking questions and explanations; gamification and scoring; electronic based assignments; reporting functionality; forums and video conferencing.

2. [AS 1.3 and AS 2.3 Unfamiliar Text](#)- available in writeable Google doc format for Classroom.

### 3. eLivewire (Lite) v1.0

Our main interactive website provides comprehensive teaching and learning material with thousands of self-marking questions in English. Our questions, written by NZ teachers, are graded at Achieved, Merit and Excellence for senior subjects. The easy-to-use admin suite enables you to assign and track progress.

**New subject: ESOL** provides graded reading passages with sound files, grammar and vocabulary exercises to help your international students.

4. **Write-on Workbooks** that can be integrated with our online material.

- a. **Arranging Words** and **Working with Words** offer detailed, write-on exercises and links to interactive exercises on eLivewire 1 or 2.

These resources are useful for Years 9-11 students.

- b. **Unfamiliar Text work books for AS 1.3 and 2.3** can be used as standalone resources or linked to either of our eLivewire platforms.

Our inter-related resources and prices (see below) make Livewire Learning a very affordable, flexible, self-marking Year 9-12 English homework program.

### 1. SITE LICENCE PRICE for eLivewire v1.0

Normally each subject costs \$11.50 per student per subject (gst inc).

Decile 8-10 schools		
Numbers	Prices per student	Cost
1-200	\$9.00	\$1800
201+	\$7.50	\$1500+
Decile 5-7 schools		
1-200	\$6.00	\$1200
201+	\$4.50	\$900+
Decile 1-4 schools		
1-200	\$4.00	\$800
201+	\$3.00	\$600+

### Combining subjects:

The Maths and English subjects, at any level, can be combined. At Year 11 Science and Accounting can also be added to this. For example, a decile 3 school with only 100 students at Year 11 could combine English, Mathematics, Science and Accounting. This would equate to 200+ students and so the school would qualify for the \$3.00 per student per subject price.

### 2. SITE LICENCE PRICE for eLivewire v2.0

\$15 per student for access to all courses as they become available
